The Utilities Board of the City of Oneonta

## **Natural Gas Clothes Dryer Rebate Terms and Conditions**

- 1) The clothes dryer you are requesting a rebate for must be a new natural gas clothes dryer and not originally a liquefied propane clothes dryer that has been converted or modified to utilize natural gas.
- 2) The clothes dryer must be installed by a State of Alabama Certified Natural Gas Fitter in accordance with the International Fuel Gas Code.
- 3) The rebate form must be completed by you and your installing contractor.
- 4) You must include with the rebate form a receipt for the purchase of the clothes dryer and an installation receipt from the contractor that installed the clothes dryer.
- 5) The Utilities Board of the City of Oneonta may require a physical verification of the clothes dryer installation. If so, a Utilities Board representative will contact you to set up a meeting at the location of the installed clothes dryer.

**By signing below you acknowledge and confirm that you have read and accept the terms and conditions for this rebate.**
