**Natural Gas Range or Cooktop Rebate
Terms and Conditions**

- 1) The range or cooktop you are requesting a rebate for must be a new natural gas range or cooktop and not originally a liquefied propane range or cooktop that has been converted or modified to utilize natural gas.
- 2) The range or cooktop must be installed by a State of Alabama Certified Natural Gas Fitter in accordance with the International Fuel Gas Code.
- 3) The rebate form must be completed by you and your installing contractor.
- 4) You must include with the rebate form a receipt for the purchase of the range or cooktop and an installation receipt from the contractor that installed the range or cooktop.
- 5) The Utilities Board of the City of Oneonta may require a physical verification of the range or cooktop installation. If so, a Utilities Board representative will contact you to set up a meeting at the location of the installed range or cooktop.

By signing below you acknowledge and confirm that you have read and accept the terms and conditions for this rebate.
